CAPTIONS  
BY  
PENNY ARCADE

I AM GLAD I HAD SOME TRAINING BEFORE I UNDERTOOK the task of photographing Penny's Arcade's 1995 Australian tour. I don't mean the years I spent acquiring the techniques of photography or the time I have spent (served?) photographing rock performers. The skill I needed to produce this photoessay was far more basic — the ability to survive in a large family controlled by a dominant mother figure.
